24/21 To discuss North Somersets draft Conservation Supplementary Planning Document Consultation (agenda item 5)

Councillors were supportive of the document with a few historical fact amendments however, they raised concerns about the outcome of the number of enforcement cases and retrospective planning which is often permitted against the best interest of the Conservation Area.

25/21 To note and comment upon planning applications (agenda item 6).

- (i) **21/P/0587/LDE Western Fields, Whitley Head, Banwell. BS24 6NA**
Certificate of Lawful Development for the change of use of a building from agricultural to Class B8 (Storage).

This application was noted.

- (ii) **21/P/0414/FUH Hollingworth, Dark Lane, Banwell. BS29 6BP.**
Proposed erection of a ground-floor and first-floor extension to provide additional accommodation, with balcony to the rear at first floor level. Erection of a detached garage to the front of property.

Resolved – That whilst the Committee support the extension to provide additional accommodation, with balcony to the rear at first floor level then it was felt that they could not support the additional garages for the following reasons.

- No justification for an additional double garage and lack of detail about the proposal, especially the scale.
- In front of the property line interfering with the street scene.
- Given the incline on Dark Lane the garage would be in an elevated position which would be seen from the Conservation Area.
- Concern that this could become an annex or a separate dwelling.

The resolution was correctly proposed and seconded (unanimous)

(iii) 21/P/0489/FUH Jana, Wolvershill Road, Banwell. BS29 6DJ

Single storey front and rear extensions, loft conversion and front and rear dormers.

Resolved – To not support this application for the following reasons.

- It will create a change to the street scene and therefore become out of keeping among the adjacent dwellings with an increased roof line.
- It will set a precedent for these properties leading to a further reduction of two-bedroom bungalows that are much needed in the village.

The resolution was correctly proposed and seconded (unanimous with 1 abstention)
